+++ Show and Grow Our Faith +++

Alive in Christ invites children to hear God's invitation to a personal relationship through his Word, helps them discover and learn the Church's teaching in precise theological language, and teaches them how to live as Catholic disciples. The unique catechetical process in *Alive in Christ* intentionally mirrors the Divine Pedagogy, forming Catholic identity and leading children and families to understand and live a life of discipleship.

Involves parents through a variety of resources that help the entire family grow in faith and equip them with the skills necessary to communicate the truths of the faith to their children. Pray for our PSR Teachers and students.
